SOCIETE GENERALE AND CNH INDUSTRIAL TO OFFER RETAIL FINANCING IN ROMANIA AND BULGARIA

Societe Generale and CNH Industrial have agreed on a set of cooperation agreements to offer leasing and financing services to CNH Industrial's customers in the Commercial Vehicle, Agricultural and Construction Equipment sectors, in Romania and Bulgaria.

Following these agreements, Societe Generale becomes CNH Industrial's preferred partner in both countries and shall market its finance and leasing offerings under the CNHI Capital and Iveco Capital brands, through dedicated sales support teams.

CNH Industrial is a long lasting premier customer of Societe Generale, as well as a key partner of Societe Generale Equipment Finance in a number of geographies. The Romanian and Bulgarian agreements are the result of the synergies successfully implemented within Societe Generale, and more specifically between Societe Generale Equipment Finance and the International Retail Banking Network.

The partnerships will support CNH Industrial to further consolidate its leadership in Central and Oriental Europe.
